

# Sexual Assault Awareness Month

**April 26, 2017 is  
Denim Day**

Denim Day is an international movement responding to the Italian Supreme Court's overruling of a rape conviction in 1999. An Italian woman was raped, when the case went to trial, the jury found her assailant guilty. The Supreme Court overturned the ruling, saying that jeans are too difficult to remove and the assailant could not have done so without the victim's help.

## You have the power to help!
