OAESV is excited to celebrate Pride Month this month (and every month!) LGTBQI Pride Month is celebrated each year in the month of June to honor the 1969 uprising at Stonewall in Manhattan, which helped to ignite the LGTBQI rights movement in the United States. The purpose of this month is to recognize and celebrate the important contributions of LGTBQI individuals and the LGTBQI community, and to remember those who have been lost to hate and violence.

While we celebrate Pride, and the LGTBQI community, we also honor and recognize survivors of sexual violence who identify as LGTBQI, as well as those who have been lost to hate and violence. For information and resources, please visit www.bravo-ohio.org or call 614-294-7867.
Two Days in May 2019

OAESV staff attended and presented at the Attorney General's Annual Two Days in May Conference on Victim Assistance. Two Days in May is an annual training event where victim advocates from around the state receive updates about best practices, trends, and developments in the field; network with allied professionals; and honor those who are doing exceptional work.

#WeAreOAESV
Camille, Becca, Kelly, Ann and Megan teamed up to present "Title IX and You: The Impact of New Title IX Regulations on Crime Victims and Advocates." Becca and Camille also presented "Foundations of Criminal Procedure for Advocates."

For more information on Two Days in May, including a highlight video, please visit the AG's website at www.ohioattorneygeneral.gov

Rosa and Olivia were joined by Cleveland Rape Crisis Center's Senior Advocacy Officer, Teresa Stafford to present "Putting Diversity and Inclusion into Organizational Practice," an interactive workshop in which participants were invited to discuss and share innovative anti-oppression management strategies that ease the pathway to increasing racial equity.

This conference provides educational opportunities to deepen our understanding of both prevention and intervention strategies, and to engage new partnerships in the movement. By engaging new partnerships and building new coalitions in the movement, we can improve our approach to sexual violence prevention and expand services to previously under/unserved survivors.
