Dedicated to confronting oppression and eliminating sexual violence

Thank You for Your Support!

SHINE
THE
LIGHT
TO END SEXUAL VIOLENCE

Thank you so much to all who supported our organization and our 2019 fundraising event, Shine the Light, especially the attendees and wonderful keynote speaker, Kenyette Tisha Barnes. We are proud to say that, thanks to your support and the work of our board and the event's host committee, we were able to raise more than double the amount that was donated at last year's event. As you know, these funds are used to carry out the mission of our organization—advocating for comprehensive responses and rape crisis services for survivors, and empowering communities to engage in preventing sexual violence.

Because some grants have restrictions on using funds for public policy work, it's important that OAESV has discretionary funds, such as those generated by your donation, ticket purchase, and raffle ticket purchase. We advocate for policies that directly impact the lives of survivors of sexual violence and the sustainability of rape crisis programs throughout Ohio, such as:

- the 220% increase of the first-ever dedicated funding for rape crisis programs in the state budget, which has allowed for the expansion of services in communities that previously had none
- the extension of the statute of limitations
- the requirement that all rape kits must be submitted for testing, and
- legislative bills like advocate privilege, recently re-introduced, which for the first time could enable fully protected communications between rape crisis advocates and the survivors they serve.

This work would never be possible without support from people like you who care about this organization and about survivors in our communities.

You can support us throughout the year by donating at any time, volunteering to work on our projects, joining our mailing list, and, of course, planning to attend (or serve on the host committee for!) the 6th Annual Shine the Light to End Sexual Violence in September 2020. We are so grateful for your support!
