*2024 Annual Conference*

## CONFERENCE INFO

The 2024 Annual Conference will be held in person in Columbus on June 25-27.

## CONFERENCE THEME: SPARKING COLLECTIVE ACTION

In a world where violence prevention and survivor-centered responses are persistently challenged, it has become crucial to bring people together. This conference acts as a catalyst for creating a sense of community and sharing our knowledge, strategies, and resources. It provides a dedicated space where we can dream, share, and gather to tackle the pressing issues of violence prevention, survivor support, and systems change. It is a call to action, uniting voices from all corners of society to collaborate and ignite.

*Research indicates that women, non-binary individuals, trans individuals, and BIPOC are less likely to apply for opportunities if they do not meet every single qualification listed in the description. We are dedicated to creating an inclusive conference that showcases various perspectives and experiences. Applicants from non-traditional backgrounds are encouraged to apply.*
